Deland: Weldon Children of the 2000-2001 Korn

Students from Deland-Weldon recieving the 5000 dollar check at the Operation Cool awards ceremony.

This year Deland-Weldon has recieved several awards.

Operation Cool awarded the juniors and seniors a check for 5000 dollars. This means our school had a 100 percent of the student drivers buckle up. Our school recieved the Bright A+ Award for being in the top 66 out of 895 school districts in Illinios.

In the 80 smallest schools, Deland-Weldon was ranked second in the state. The ACT scores were an average of 23.5 which puts our students in the top 7 percent nationally. The Social Studies scores for the high school were in the top 10 percent nationally. So you can see why the students in Deland-Weldon take pride in a school they each help build to greatness.

Administration and Secretaries

This year we had two new faces in the high school office. First is our own beloved Mr. Stiverson who has taken on the role of high school principal. Secondly, the high school secretary, Judy Carr, retired last year. During the summer the school hired on Cheryl Jones. Cheryl has three children who attend our elementary school. She says the best part of working here is interacting with all the students. We enjoyed seeing both of you in the high school office. Keep up the good work!

GO, FIGHT, WIN Cheerleading

Despite this years' difficulties, all eleven member of the cheerleading squad managed to pull together to create great team spirit. We had a camp in the summer where we learned our homecoming dance "The Twilight Zone." The cheerleaders play a vital role in enhancing school spirit. They decorate the boys' basketball lockers, create run through signs for the games, and provide a variety of activities and contests during spirit week. Keep up the good work girls!

Student council is involved in a variety of activities every year. They sponser a bonfire at the end of the volleyball season. They are completely responsible for the Homecoming dance. They even host a barbeque at the end of each school year. We have a lot to thank student council for.

This year besides their regular duties there were a couple of special opportunities our student council took advantage of. First, they participated in Read Across America. This is a day where school, libraries, bookstores and even celebrities across the country try and promote reading at all ages. Next, they added a very special award to our awards day ceremony, teacher of the year. The winner of our first annual teacher of the year award was Mr. Eatock.

Spanish Club

Mrs. Lueke, Mary Voss and Jacquie Bush have worked very hard this year to start a new club at this school --- The Spanish Club! Mary completed her fourth year of Spanish this year, with Jacqui completing her third.

So what do you do in a Spanish club? Well these ladies have spent most of the year raising a boat load of money. In fact, they've raised enough to go to Spain this summer! Have a great time ladies.

The Election of the Sophmore Class' "Noted Enforecer of Rowdiness and Deviance."

As many of you know, during the end of the year elections Mr. Arenas created a few new offices the Sophmore class could run for. What you might not know is that one of those offices was the "Noted Enforcer of Rowdiness and Deviance" or N.E.R.D. for short. This office is meant to keep all the trouble making in the Sophmore class confined to that one person. In this election the sophmores had two canidates to chose from, Chuck Arnold and Formal D. Hyde the cat. It was an exciting race!

Both canidates were musically inclined.

Also, both sides had their enthusiastic supporters.

In the end, Chuck won by a marginal vote and Formal called for a recount. Even then it was obvious that Chuck had eaten, I mean beaten, the competition.

It's offical folks! Chuck is the N.E.R.D.
